

WHAT YOU NEED TO KNOW

IPHC FINE ARTS VISION

The National Fine Arts Festival is committed to developing leaders within our movement to fulfill the Great Commission. We believe God has given tremendous gifts and expansive influence to this generation. It is our privilege to disciple them, to lead them, and to rejoice with them as they fulfill God's purpose for their life.

Develop the leaders God has placed around you. Steward the gifts of the people in your local church. Invest in your students through IPHC National Fine Arts.
