

It is with a heavy heart that we bid farewell to a kind hearted, dedicated, and faithful minister of God. Bishop James Leggett was after God's own heart and was truly a blessing to everyone around him. It is a hard time for the people Bishop James has left behind, but I pray that you know that God was pleased with his ministry and in His right time, welcomed Bishop James into His arms. We pray that God will comfort and strengthen the family in this time of grief. Our deepest condolences to Sis Clara and the extended family members from New Life AG church, Chennai and Assemblies of God of India.

Blessings,
Rev. D Mohan
