

GLOBAL OUTREACH OFFERING 2016

GO
MAKE
DISCIPLES
BAPTIZE
TEACH

"The nations are waiting to hear the Gospel proclaimed,
and the Church has been commissioned to communicate
God's message of hope by salvation through Christ."

Acts 1:8

IPHC's Global Outreach (GO) offering provides funds to reach the lost around the world. Your financial support is crucial to the World Missions Ministries Division and Evangelism USA. This offering is used to plant churches, develop Bible schools and training centers, and support new laborers and National Missionaries. When you contribute to the GO offering, you are funding global ministry to 7 billion people.

EMBODY THE SPIRIT OF GENEROSITY

We trust God's spirit of generosity to move in each IPHC member to give an offering each year. We emphasize a Day's Wage challenge as an achievable goal. The average Day's Wage for an American worker is \$128 (based on the median income of \$33,196 reported by the U.S. Census Bureau). This money turns into ministry on the mission field.

MAKE A DIFFERENCE

Many people in today's developing world make \$2.00 or less per day. There is no doubt that God blesses all His children to influence and help change the world around us. As God's children, we have the responsibility to share our faith and its blessings with others (Galatians 3:8-9). We are blessed to be living in a prosperous nation, and a Day's Wage makes a tremendous impact in developing countries!

GIVE AS GOD INSPIRES

The Day's Wage emphasis is simply a tool to assist in purposely saving your gift for Global Outreach. Hearing the Father's heart of generosity leads numerous people in giving even more toward the opportunities and challenges before the Church today. As God's inspires, we hope you are encouraged to give so others may receive!
