

HOW TO USE THE SUPERHERO WORKSHEETS:

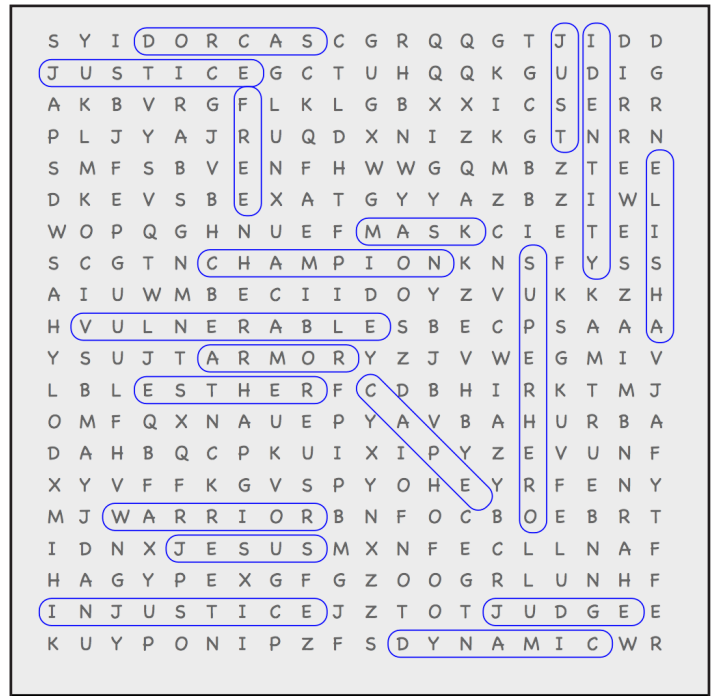

The worksheets in this document are designed as classroom tools to use along with the Superhero Theme.

- The **Crossword Puzzle** is designed for older girls. If you think it is too challenging for some of your girls, you could use it as a teaching tool and work on it together. The answer keys below can help you as the teacher to get a head start.
- The **Word Search** makes use of the same words so you could combine the two or use the word search for elementary-aged girls who can read.
- The “**Secret Encoded Message**” reveals part of our theme scripture from Isaiah 1:17 (VOICE). This activity sheet is designed for elementary-aged children. Younger children who recognize letters and patterns might could do it too with assistance.
- The final two pages, “**The Superhero Card**” are to be printed front to back on card stock to challenge girls to find ways to be a Superhero at home, school, or in the community. Write their names on the blank lines and have them ready to give to each girl at some point during the week. You could put them on a bulletin board or as door decor during Girls’ Ministries Week.

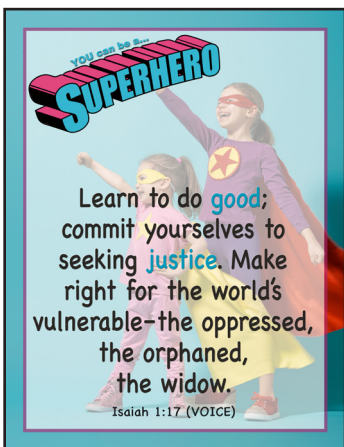

The concepts and terminology used on these activity pages were pulled from the various articles and information included in the Annual Theme Booklet which is available for download from our website (<http://iphc.org/discipleship/girls/gmweek/>). Ideas from this booklet can be used throughout the 2019-2020 school year since the theme is year-long.

Our girls code also challenges us to think about things that are honest, just, pure or lovely. Which one of those four words is tied into the Superhero theme? Decode the message below to help you figure it out and then write the word on this line: _____. Check your work in Isaiah 1:17 (VOICE). Superhero Actions I Can Take:

- Find someone who needs a new friend (maybe at the lunch table or on the playground).
- Think of an act of kindness you can do for someone and then do it.
- Ask your parents to help you find a good cause to participate in (local food bank, community project)
- Be bold and participate in See You at the Pole day or invite a friend to pray with you before school or during lunch. Pray for teachers, the principal, staff, and students.
- Stand up for what you believe in, even if you are the only one standing! Let your superhero courage show through and shine for Christ.
