Christmas Spirit Campaign

Christmas is one of the most fun times of the year, especially for kids who love Jesus and like to open presents. However, many children around the world might not be getting a Christmas present this year and may never know about the birth of Jesus. Through The Christmas Spirit Campaign, you can help give kids everywhere a Christmas gift and spread the story of Jesus' birth! Each country's need is different. For some, your donations go towards a big Christmas dinner, for others it pays for new toys and clothes, and sometimes it supports families' grocery budget!

One Gift
Package:
\$25

****Disclaimer**** Once funds are raised for all the children in our program, excess donations will be saved in the Christmas Spirit project for the following year.

One Bible:

\$12

Bibles

Being able to own and read a bible is so important to the Christian faith. The Bible is the word of God written down. It reminds us of who God is and who we are because of Him. Sadly, there are many countries and people who have a hard time affording Bibles, or even are not allowed to own a Bible. This fund is used to collect and distribute Bibles in all kinds of languages to places that do not have many, or possibly are without the Bible entirely. Help us spread the story of Jesus by sending the Bible to every corner of the world.

****Disclaimer**** Our Bible project is a general fund and will be used as needs arise at the discretion of the K4M leadership.

Water Wells

Did you know that the human body is 60% water?

Obviously, if that much of our body is made up of water it must be very important for living.

Unfortunately, there are many people who are without water. Many people must walk extremely far to find a little bit of dirty water that makes them terribly ill. When you give towards our water well fund, you are giving clean water to villages that have never had that gift. We dig deep wells so that the water is clean and accessible to those who are in need. Help us give the opportunity of clean, fresh water to villages that are in desperate need.

One Water Well:

\$1,500

****Disclaimer**** Some wells may cost more or less depending on which country or what type of well is in need.

Motorbikes for Pastors

As Christians, the ultimate goal in everything we do is to tell everyone who Jesus is and how much he loves us. Many of our pastors have been working to spread the gospel to their surrounding towns and villages, but they can only walk so far. Help pastors overseas travel to currently unreachable towns by donating the funds to buy motorbikes so that they can get farther faster and spread the gospel in a powerful new way.

One Motorbike:

\$1,300

****Disclaimer**** Some motorbikes may cost more or less depending on which country is in need. Any excess funds will remain in the account and be combined with other funds to purchase more bikes.

General
Fund

Disaster Relief Fund

Our disaster relief donations are stored as an emergency fund and given out to impoverished communities when they experience a harsh, traumatic disaster. Sometimes it supports those dealing with natural disasters like floods, hurricanes, tornadoes, or earthquakes. Other times it is given to those in the middle of wars or other violence. While the immediate goal of this fund is to provide food, water, medical, and other emergency supplies to those in need, we ultimately want to spread the hope and love of Christ through this project.

****Disclaimer**** Our disaster relief project is a general fund used when a need arises.

Madagascar Feeding Program

Our friends in Madagascar, Africa have started a food ministry in which they have traveled to impoverished villages and towns, bringing warm food and fresh drinks to those who have very little. On top of these gifts, they are sharing the hope and gospel of Christ with every person who receives a meal. Help us gift meals to starving families by donating towards the Madagascar Project.

**1 Child Sponsorship:
\$25 per month**

****Disclaimer**** Excess funds will be put into the Feed the Hungry project and can only be used to purchase food and water.

**1 Child Sponsorship:
\$25 per month**

Regraced Feeding Program

Regraced is situated in the Kibera Slums in Kenya Africa. They work to feed starving children in the impoverished region and give them basic tools and opportunities for hygiene. On a weekly basis, they serve around 200 kids by providing them a meal, a Bible lesson, and a hands on, fun, learning activity. Help Regraced further grow its ministry so that every child in the Kibera Slums can be fed, cleaned, and, most importantly, learn about their Savior.

****Disclaimer**** Excess funds will be put into the Feed the Hungry project and can only be used to purchase food and water.

The Eli Project

The Eli Project works to bring families closer through games, food, and other fun activities in a casual, safe, and comfortable environment. Many of the children and family members involved in The Eli Project have special needs and mental disabilities, which can sometimes make it hard to make friends, or meet someone with a similar background. With that said, we believe that everybody deserves to be loved and have fun because we're all made in the image of God! This program attempts to make it easier for both kids and parents to make friends and learn about life, each other, and Jesus together. Donations to this project will go towards food, games, and other supplies for family nights and hangouts.

Monthly Events: \$60
Special Events:
\$1,000

****Disclaimer**** Some events may cost more or less. Excess funds will be used for other Eli Project events.
