Christmas Spirit Campaign

Christmas, a season of joy and wonder, particularly for children who cherish the celebration of Jesus' birth and the delight of gift-giving. Yet, countless children globally face the prospect of a Christmas without presents, and many remain unaware of the story of Jesus' birth. The Christmas Spirit Campaign offers you a chance to bring the magic of Christmas to these children, sharing both gifts and the message of Jesus. Your contributions address diverse needs: from festive meals and new toys to essential groceries, ensuring a brighter Christmas for children everywhere.

One Gift
Package: \$25

*Note: After fulfilling the needs of all children in our current program, any remaining Christmas Spirit donations will be reserved for the following year's initiatives.

One Bible: \$12

Bibles

Access to the Bible is fundamental to Christian faith. It's God's written word, revealing His nature and our identity in Him. Tragically, many individuals and communities worldwide lack this essential resource, either due to financial constraints or restrictions. This fund aims to bridge that gap, providing Bibles in diverse languages to those who have limited or no access. Partner with us to share the transformative message of Jesus through the power of His Word.

*Note: Donations to our Bible project are directed to a general fund, allowing K4M leadership to address the most pressing needs for Bible distribution as they arise.

Water Wells

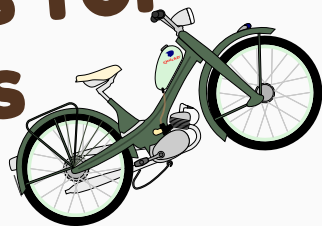

Our bodies are 60% water, highlighting its essential role in life. Yet, millions struggle for access to this basic necessity. Imagine walking miles for contaminated water that causes illness. Your contribution to our water well fund provides clean, life-saving water to villages that have never known this gift. We build deep wells, ensuring a sustainable source of fresh water. Join us in bringing this vital resource to those in desperate need.

**One Water Well:
\$1,500**

*Note: The final cost of a well may vary slightly based on the specific country and the type of well required.

Motorbikes for Pastors

For Christians, sharing the love of Jesus is our highest calling. Our overseas pastors are dedicated to spreading the Gospel, but their reach is limited by foot travel. You can empower them to reach previously inaccessible communities by providing motorbikes, enabling them to share Jesus' message further and faster.

One Motorbike:
\$1,300

*Note: Motorbike costs may fluctuate based on the country's specific needs. Any surplus funds will be retained and pooled with future donations to acquire additional motorbikes.

General
Fund

Disaster Relief Fund

Our disaster relief donations create an emergency fund, providing vital support to impoverished communities facing devastating crises. Whether natural disasters like floods and earthquakes, or conflicts and violence, we offer immediate aid – food, water, medical supplies – while ultimately sharing the hope and love of Christ.

*Note: Our disaster relief project operates as a general fund, allowing us to respond to needs as they emerge.

1 Child Sponsorship:
\$25 per month

K4M Feeding Programs

K4M's Feeding Programs provide vital support to two distinct communities: Regraced in Kenya's Kibera Slums and the Madagascar People to People initiative. Regraced offers weekly meals, Bible lessons, and engaging activities to approximately 200 children. In Madagascar, teams travel to impoverished areas, delivering warm food and drinks. Beyond addressing physical hunger, both programs share the Gospel of Christ, nourishing both body and soul.

*Note: Any surplus funds will be allocated to the Feed the Hungry project and are strictly designated for the purchase of food and water.

The Eli Project

The Eli Project fosters connection among families through games, meals, and engaging activities in a welcoming and secure setting. Many participants have special needs or mental disabilities, which can create social barriers. Believing everyone deserves friendship and joy as God's creation, this program provides a space for children and parents to build relationships, learn together, and experience Jesus' love. Donations support family nights and hangouts with food, games, and necessary supplies.

Monthly Events: \$60
Special Events: \$1,000

*Note: Event costs may vary. Any surplus funds will be reallocated to support future Eli Project events.

General Fund

The Kids for Missions (K4M) general fund serves as a flexible resource, allowing the K4M leadership team to address emerging needs and ministry opportunities within World Missions. To support the organization's outreach and educational efforts, 10% of the general fund is designated for administrative costs, including the creation and distribution of promotional materials to local churches. This ensures the continued growth and effectiveness of K4M's mission to inspire the next generation to participate in World Missions.
