

Dear Doug,

Kindly convey my deepest condolences to the family of James Leggett. I'm now in Taize, France, attending the GCF that James was a member. He was an outstanding example of a Pentecostal leader in the Global Christian Forum that I had the privilege to serve alongside with him.

It was also my privilege and honor to serve with him as the Vice Chairman of the Pentecostal World Fellowship, when he was the Chairman and chaired two world conferences held in Jakarta, Indonesia, and Sweden. I have observed his graceful ability, kindness, and understanding working with world leaders. My times with him will be fondly remembered.

May the Lord's grace, comfort of the Holy Spirit, peace, and assurance of our resurrection, when we see Jesus face to face to all the family of James Leggett.
