A NOTE FROM THE EXECUTIVE DIRECTOR

God is blessing the work and ministry of IPHC World Missions Ministries. As a valued ministry partner, we want to keep you apprised of what He is doing through the ministry, influence, and outreach of the IPHC.

Know that you are valued! We could not reach the lost, send missionaries, plant churches, disciple and train leaders, invest in the lives and calling of younger generations, feed and clothe children, and respond to the needs of those who have been displaced by natural disasters outside of the US without you. May God be honored as we serve together in obedience to our Lord's Command to "Go and Make Disciples of all nations."

MEET THE ARGO FAMILY

The Argo family, Al, Coli, Alex and Chandler, also known as the A-Team, have served with WMM since 2001. Their chief aim is to see souls saved and to Teach, Equip, Activate, and Mobilize the Asian church to finish the Great Commission. Church planting, leadership training, Coffeehouse ministry, sports ministry, and Disaster Relief are a few of the ministries in their portfolio.

Three and a half years ago, the family planted Life Church Cebu in the Philippines. Throughout the course of this time, they have been able to provide weekend services and relevant activities for engagement, outreach, and discipleship. A few examples of these activities, which are aimed at reaching the community, include Life Groups, Upward Sports, and Life Coffee House & Library.

As the ministries that the Argos lead continue to flourish, please pray for health and safety, full support each month, souls to be saved, and the land and building for Life Church Cebu, Philippines.

Kenya

Bishop Mike Gray and his wife, Karen, recently spent time in Kenya. While they were there, they were able to build a water well. Their willingness to serve is changing lives here in America, as well as around the world. Thanks to them and others of like heart, there are people all over the world drinking fresh water today.

Wittenberg

Wittenberg

From October 31 through November 1, over 700 Christian leaders gathered for the Wittenberg Congress in Wittenberg, Germany. This event was hosted by the Global Church Network, and was designed to "realign to the Word of God, reaffirm the body of Christ, and recommit to the Great Commission" (IPHC Wittenberg Article). The final day of the event, amazingly, took place on the 500th anniversary of the first day of the Protestant Reformation.

JOHN PIPER

Hong Kong

Through the last week in October, Bishop Talmadge Gardner had the opportunity to visit Wing Kwong Pentecostal Holiness Church in Hong Kong. This year, at General Conference, Bishop Gardner was privileged to make a World Missions Ministries presentation to recognize their pastor, Reverend Donovan Ng. To no surprise, the opportunity to spend time with the IPHC family and leadership in Hong Kong was both encouraging and refreshing.

Meeting

In the second week of November, World Missions Ministries held their annual leadership meetings. This week was a necessary time of reflection and gathering of new ideas and convictions for the year to come. WMM looks forward to an incredible year in 2018, and has impactful plans in furthering their influence in the world for the Kingdom of God.

Caribbean & West Indies

Darrel and Bonnie Clowers are doing incredible acts of Kingdom Work throughout the Caribbean and West Indies. They have begun to experience people who are shifting from seeing themselves as the ones who need missionaries, to believing that they are missionaries themselves. The people that Darrel and Bonnie are reaching are not only finding hope, but purpose and a call to advance the Kingdom of Heaven. The Clowers are going above and beyond to make sure those who have yet to hear the news and salvation of Jesus Christ find this same hope, purpose, and calling.

Disaster Relief

In October, some of The Awakening's traditional interns were privileged to go to Puebla, Mexico to assist with disaster relief following a devastating earthquake. The love that Jesus puts in His peoples' hearts for those in need is unmatched, and The Awakening is honored to take part in loving the world with the intangible love of King Jesus. For more information about disaster relief in Mexico, please contact Ron Roy, Regional Director of Mexico.

CAN A GENERATION CHANGE THE WORLD?

by Max Barroso
Director of The Awakening

This is a question that has been asked time and again throughout the history of mankind. With every generation, there is an expectation, a longing to achieve great things. In multiple passages of scripture, we see God searching the earth for someone He could use, someone willing to believe in Him... to believe Him! Whenever God gets ahold of a heart that is willing to risk it all for the sake of His name-- a heart that is longing for more, a heart that believes that God can and will do the impossible-- that is when we see the rising of an Abraham, Joshua, Jael, Samuel, David, Debra, Esther, Elijah, Daniel, Ruth, John the Baptist, Paul, Pricilla. These and so many others changed history by putting it all on the line to fulfill the purpose of God in his or her life, for his or her generation. Over the last 7 years, this is what a peculiar tribe within the IPHC has been trying to live out. The Awakening believes that God can use this generation in a radical way! We believe in training, empowering, and propelling this generation into the adventure of serving Jesus and changing the world. At The Awakening, we understand that events are fun and conferences are popular, but discipleship requires a passionate commitment to spiritual formation, and we take that challenge head on! Whether it be through our internship programs (summer or traditional), the Summer Camp Tour, our Open House, On My Way overseas internships, Global Emerging Leaders Summits, mission trips, or through our new International Base, we try our very best to position people to hear His voice, be equipped for His call, and in the power of His Spirit, change this world! This is our commitment to the generation of IPHC young leaders across the globe.

So... Can a generation change the world? The answer is yes! Yes we can!

THE DRAMA OF MISSIONS IN THE BIBLE

Act one: Missions in Creation

Part 1 of 7

by Dr. Terry Tramel

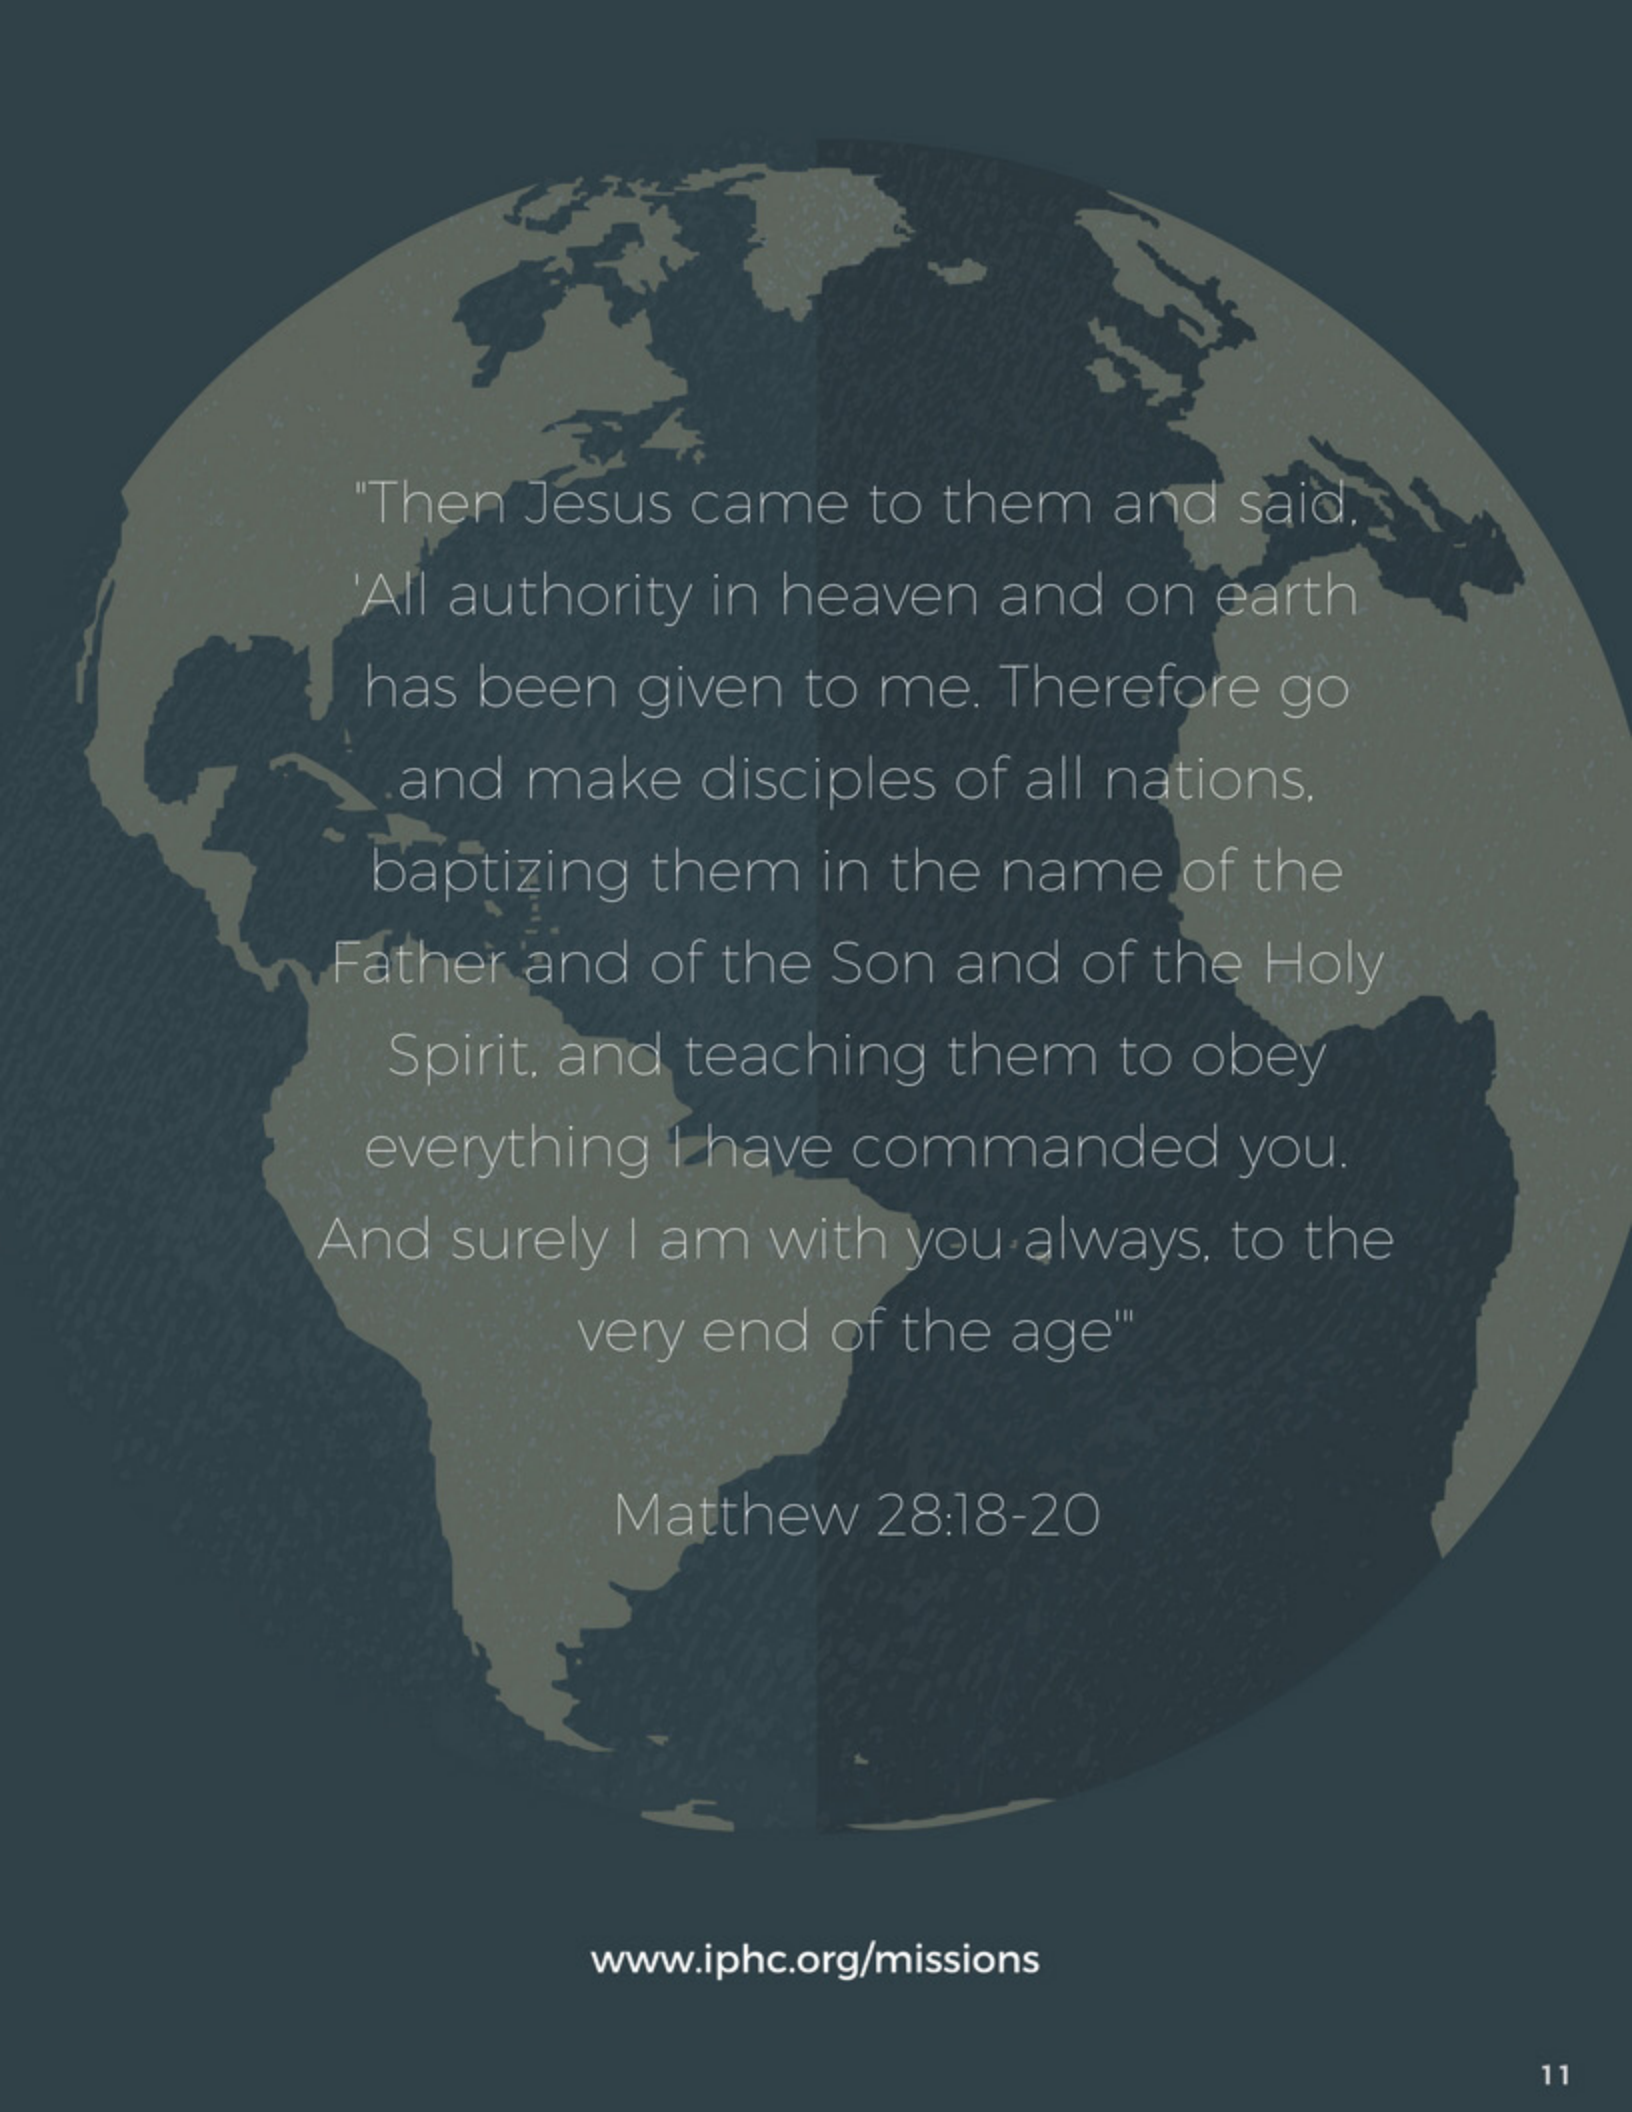

To suggest there is no hint of world missions inside of the Garden of Eden is a misnomer. On the contrary, several scriptures point to a missional emphasis.

1. The creation of the first man and woman in the image of God included the pronouncement that they would have dominion “over all the earth” (Genesis 1:26). This declaration foresaw that humanity would spread far beyond the Garden of Eden.
2. The Lord’s subsequent directive to the initial couple commissioned them to “be fruitful and multiply and replenish the earth...” (1:28). This appears to be the only command of God humanity has kept. Yet the Lord is pleased, for this decree reveals His love for all people who would literally cover the earth.
3. By far, the greatest evidence of missions in Eden occurred after Adam and Eve sinned. The guilty pair became the first “unreached people group” as they ran and tried to hide from their Creator. One does not have to wait until the New Testament to discover the missional heart of God for the lost. It is clearly seen within the gates of Eden when the Lord goes looking for those who are estranged from Him. Although punishment was meted out, it is clear the Creator’s search for the offenders was not to condemn them, but to restore them, and bring them back into right relationship with Himself. As we will see in later acts of this drama, the same voice that looked for the lost in Eden, is the same Lord who came and walked the shores of Galilee saying, “The Son of Man is come to seek and to save that which was lost” (Luke 19:10). And that same voice is heard in hundreds of languages of faithful missionaries who are sharing the message of Christ throughout the world today.

PEOPLE TO PEOPLE

*WHEN YOU SPONSOR A CHILD, YOU
CHANGE THEIR DESTINY!*

"Then Jesus came to them and said,
'All authority in heaven and on earth
has been given to me. Therefore go
and make disciples of all nations,
baptizing them in the name of the
Father and of the Son and of the Holy
Spirit, and teaching them to obey
everything I have commanded you.
And surely I am with you always, to the
very end of the age"

Matthew 28:18-20
