# GLOBAL OUTREACH

IPHC's Global Outreach (GO) offering provides funds to reach the lost around the world. Your financial support is crucial to the World Missions Ministries Division and Evangelism USA. This offering is used to plant churches, develop Bible schools and training centers, and support new laborers and National Missionaries. When you contribute to the GO offering, you are funding global ministry to 7 billion people.

## THE RIVER

There is a river that has been flowing through the International Pentecostal Holiness Church for over 50 years. The Global Outreach offering remains the life source for World Missions Ministries. The river flows from the heart of God through the generosity of individuals and churches. Once it reaches World Missions Ministries, it continues to flow in many streams that reach to over 100 nations with an IPHC presence.

These streams include special Antioch grants, the Global Leadership Summit, Missions Fest, School of Missions, and many other areas of ministry. This offering indeed makes glad the recipients of the Gospel all around the world.

Advancing God's kingdom is imperative for all Christians. Each year there are urgent financial needs to continue IPHC's active outreach to the lost and unreached people groups globally. Please know that your investment in these ministries is fruitful and necessary for kingdom expansion.
