GLOBAL OUTREACH

The International Pentecostal Holiness Church Global Outreach (GO) Offering provides funds to win the lost and disciple believers around the world. Your prayerful and financial support is crucial to World Missions Ministries and Evangelism USA. This offering is used to plant churches, develop Bible schools, establish training centers, and assist national leaders and missionary projects. Contributions to the GO Offering are recognized in Heaven and make a great difference here on Earth.

A STORY WE ALL SHARE

The Psalmist said, “Let the redeemed of the Lord tell their story, those He redeemed from the hand of the foe, those He gathered from the lands, from east and west, from north and south” (Psalm 107:2-3).

History remains “His story” – and our lives reach their highest fulfillment when we take an active role in that redemptive history. For over a century, IPHC World Missions Ministries has had a story to share – the greatest story ever told. The gospel message has been proclaimed by faithful WMM missionaries and national leaders in over 100 countries around the globe. Both the senders and the sent ones share in this story. Through faithful givers and goers, the Lord continues to redeem people from every inhabited continent.

In 2020, the IPHC is focusing on the core value of generosity. You are invited and encouraged to join with our global family in “writing another chapter” by giving to the Global Outreach Offering – A Story We All Share.
