*We thank the Lord that this month we have had a special opportunity to help our military replenish their needs on the front lines and pray with them.*

*In addition to groceries and essentials, we were able to give them a drone that will help them get intelligence and protect our country.*

# ***“UNDER FIRE”***

*Artem is a graduate of one of the rehabilitation centers of the Christian Hope Church. Today he is at the forefront defending Ukraine. Due to the begin of a full-scale war in Ukraine, Artem did not have time to receive Holy Water Baptism in the Church, so today the Church was able to come to him and, to the sound of artillery and explosions, Artem entered into a Covenant with God.*

*A team of IPHC volunteers organized a Family Day celebration in the liberated territories in the South of the country for adults and children, who suffered from the Russian occupation. We brought food, things, and also talked about the love of our Heavenly Father.*

*We also thank God for the opportunity to get to where there is almost nothing of the necessary. These are de-occupied territories, as well as territories that are so close to the war zone that not everyone can get there.*

*We are a members of Christian Hope Church. Since the beginning of the full-scale war between Ukraine and Russia, we have not left Kyiv and served in the Church. A special place in our hearts has taken the ministry of refugee mothers with small children, who escaped from shelling, leaving their homes and everything they had.*

*We are grateful to God for the opportunity to be IPHC Barnabas volunteers, to serve these people, distribute help, bring joy to children and preach the Gospel. Thank you IPHC family for your prayers and support.*

*My name is Maryna.*

*My hometown is Mariupol.*

*Miraculously, we were able to survive and leave during the capture of my city by Russian troops. It's hard for me to remember the time when we ran away without even knowing where we were going. I found myself with a child in a foreign city, not understanding how we would live on.*

*I am grateful to God that He did not leave me and I am grateful that He introduced me to IPHC volunteers and the Church, I am grateful for such help, in terms of products, diapers, baby food, hygiene, which are so necessary for me and my child at this time.*
