# MISSION TRIPS

“God used me in ways I never would have thought possible. I was stretched beyond my comfort zone to reach those that needed to hear the gospel.”  
-Kaley Wombaugh, 23 years old

# INTERNSHIPS

“Seeing the love of God through the faces of the people I got to meet drew me closer to Him and made me want to know Him more and willingly go wherever He tells me.” - Tanner Brady, Alpha Conference, 21 years old

# ON MY WAY

“Living here in Jicamarca has truly been life altering. I have had the privilege of working with the children here as their art teacher and assistant English teacher and it’s taught me so much about myself while helping me build confidence in the giftings God has put within me. I honestly cannot wait to come back as a missionary!”

-Valeria Soto De Fazio
