Our global trajectory continues to rise in unprecedented ways. This is our Season! This is our Kairos moment! This is our time to Arise! "Let's attempt Great Things for God and expect great things from God this year. Let's fulfill the Great Commission."

The prophet Isaiah tells us in Isaiah 54:2, "Increase is coming, so enlarge your tent and add extensions to your dwelling. Hold nothing back! Make the tent ropes longer and the pegs stronger."

Never underestimate the effect that your effort has had, is having, and will continue to have in kingdom expansion. The gospel of Jesus Christ, wherever it is preached, still has the power to save and set people free!

As a hero in the faith, missionary Philip List, Sr., used to say, **"Forward with the gospel!"**

# FORWARD WITH THE GOSPEL

There are 104 countries in our regional borders without an IPHC ministry presence. WMM is currently training and resourcing missionaries, national leaders, church planters, pastors, and evangelists in six strategies that will help us achieve our vision. These strategies have been put in place to reach the Arise 2033 goals of having an IPHC presence in 150 nations and planting 5,000 new congregations outside of the U.S. by the year 2033. Join us in praying for these countries still needing an IPHC ministry presence.
