“Thank you IPHC for being with us in these tough times”

- Dmytro Loiuk

Ps 23:4: "Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me."

“VITAL SUPPORT”

This month we delivered many generators to places where the power grid was completely destroyed, but, most importantly, we were able to comfort people living under constant shelling by preaching the Gospel and bringing God's word of love and comfort.

Thanks to your support, we purchase food and create food packages called “life boxes”, in which we put the most necessary things and a copy of the New Testament to help those living in a war zone survive.

“CHILDHOOD ON THE FRONTLINE”

Unfortunately, many children continue to live in close proximity to the front line, and the Russian war has simply stolen their childhood. Therefore, our team tries to give moments of joy by bringing toys and sweets to these children, praying with them, and showing them God's love.

“MINISTRY TO REFUGEE MOTHERS WITH SMALL CHILDREN.”

The Russian War made many women widows. It's not easy, and especially difficult with small children. We are grateful to the Lord for the opportunity to support them with God's word, food, diapers, baby food, toys, and all the necessary things. God bless!

*We went through horror... Our city
was under Russian occupation for
a long time. We saw a lot: hunger,
bullying, and more. My husband
is disabled and cannot move. It
was very difficult, but we survived
thanks to the prayers of the
church and God. We are very
grateful to everyone who
remembers and supports us.
Thanks to the IPHC volunteers
for their help and care. May God
bless you!*
