Building Together

God's goodness...

We give all praise and thanks to our God who does marvellous things—things beyond our planning or imagination. The story of Building Together is a powerful testament not only to the transformation of our communities and organization but to a movement with a far-reaching impact. When God first birthed this vision within us, it was focused simply on constructing buildings of brick and mortar. Little did we know that God's plans were much grander.

We are deeply grateful for the Building Together vision, which was first

ignited in 2019 during the Jamshedpur Annual Conference, as part of a divine initiative to reform the 100-year-old IPHC.

At that time, we had no idea that this vision would grow into a movement.

The transformation sparked within IPHC India has been extraordinary. Our members have responded with incredible generosity, eager to build God's kingdom. We are profoundly thankful for every donor—large and small—who has given sacrificially.

This vision has united people of all generations—from the young to the

old, men and women, pastors and laypeople, the affluent and those facing financial challenges. It has truly been a collective effort.

All we can say is, "Look at what the Lord has done!" All glory belongs to Him alone.

To date, we have dedicated 68 buildings.

These buildings serve as vital spaces for our communities, where individuals come to be trained and empowered. The CTC buildings

function as centers for free sewing training and tuition, providing opportunities for personal growth and skill development. God has called IPHC to be a place of hope, and we are grateful for the multitude of individuals who are being trained and taught in these Community Transformation Centers. It is through these efforts that we continue to fulfill our mission of bringing positive change and transformation to those we serve.

May God bless you abundantly!
Executive Committee, IPHC North India

31st General Conference

The 31st General Conference of IPHC North India was held in Siliguri, West Bengal, with a total of 506 members in attendance. A historic moment occurred as 202 young men and women received their Local Minister's Certificates, and 6 pastors were granted Minister's Licenses. Additionally, during the conference, we elected the Conference Council leaders and Executive Committee members for the upcoming four-year term (2024-2028).

IPHC North India Executive Committee : Gen. Supdt. - Michael John, Asst. Gen. Supdt. - Anil Raven, Secretary - Ashok Mishra, Treasurer - Jesan Marki, Member - Patras Tudu, Samuel Marandi, Sanjive Masih

First PH Conf. Council: Supdt. - Michael John, Asst. Supdt. - Sanjive Masih, Sec. - Treas. - Ashok Mishra, Member- Ashok Lall, Dipak Sharma

Capital City Conf. Council: Supdt. - Anil Raven, Asst. Supdt. - Sukhdeo Tigga, Sec. - Treas. - Jesan Marki, Member- Sudhir Ekka, Alok Kachhap

Santhal Pargana Conf. Council : Supdt. - Patras Tudu, Asst. Supdt. - Sanatan Soren, Sec. - Treas. - Palu Marandi, Member- Babudhan Soren, Promeshwar Kisku

Singhbhum Conf. Council : Supdt. - Kishor Kachhap, Asst. Supdt. - Etmon Herenz, Sec. - Treas. - Chonhas Toppo

Seemanchal Conf. Council : Supdt. - Samuel Marandi, Asst. Supdt. - Motilal Marandi, Sec. - Treas. - Paulson Hansda

South Bihar Conf. Council : Supdt. - Shantial Soren, Asst. Supdt. - Cornelius Soren, Sec. - Treas. - Prakash Maramdi

Women's Centennial Celebration Report

IPHC India organized a historic gathering in October 2024, from the 9th to the 11th. This occasion marked a milestone in the history of IPHC North India, as it was the first celebration of its kind to be organized and led by our newly established "Women Empowered Committee". For the first time, we acknowledged that our women leaders, who have contributed so much to the success of our events over the years, should take centre stage. It was time to empower them to walk fully in their calling and gifts.

This wasn't just a celebration of IPHC's 100 glorious years in India—it was also an opportunity to honour our women pioneers, both missionary and national, who laid the foundation for the revival in India.

In a groundbreaking move, the Executive Committee and Women Empowered Committee decided that this celebration, being organized and led entirely by women, should feature women leading the worship and preaching as well. We invited Pr. Manpreet Kiran and the women of the Barak Gospel Band to lead us in worship. These anointed women brought an incredible power to the service, ushering us into God's presence. Two guest speakers, Pr. Joicy Koshy and Pr. Anu John, shared prophetic messages that deeply moved everyone.

This celebration was a historic event, marking the largest convention ever held in the history of IPHC in India, with over 3,000 attendees. It was clear that God is raising up a powerful army of women leaders and disciples in IPHC to take His Word to the ends of the earth. Hundreds of people committed themselves to serve God and were filled with His power as they sought His face.

The three-day celebration was not just a time of spiritual renewal but also a time of unity and joy. As we worshiped, danced, played, and shared meals together, our hearts were united in love and purpose. IPHC is on a fresh, God-given path, and we believe that the years ahead will bring even greater blessings and harvests in India.

Conference Council members praying for 5k/33 vision

Do unto others
as you would
have them
do unto you.

Hehel Bazra

It was a joyous day for the Hahel Bajra IPHC family in Ranchi, Jharkhand, as they dedicated their new CTC building. Pr. & Mrs. Mahendar Oraon, along with their dedicated efforts, had laboured for many years to reach this momentous occasion. Responding to God's call, they began by serving the needy and the sick, gradually realizing the need for a dedicated space. Through the generous donation of land by Mr. Tunua Gari, the local community began constructing the building, with villagers donating materials and working together every Sunday. The dedication was a true celebration, marked by traditional dance, music, and a delicious lunch prepared with love by the believers. Their hospitality and testimony of faith left us overwhelmed. Truly, we serve a mighty God who elevates the humble and makes them victorious.

Rasnala

Another day of rejoicing in the presence of God for His provision, as we dedicated the 57th church building under the Building Together Project at Rasnala. We are grateful to Tim Case I M for partnering with us in this endeavor. Pr. Palu Marandi, a man with an apostolic anointing, leads this ministry in a village deep within the forest. The local believers worked tirelessly to complete this CTC building. The inauguration was a moment of great celebration, with the villagers welcoming us with dance, garlands, and a grand lunch to honor God's faithfulness.

Gurgaon

The 58th church building was dedicated in Bartuwa, where Sanjay Nirmal Tirkey, an educationist from this village, never imagined that God would one day use him to transform his community. Burdened by the need for education for underprivileged children, he donated his land and began constructing the hall. We are also grateful for the generous contribution of Tim Case I M. On June 7, 2024, the village believers could not contain their joy as they lined the streets in colourful traditional dress, welcoming us with flowers and heartfelt gratitude. It was a powerful moment of worship and thanksgiving as we dedicated the new hall.

Bartuwa

IPHC ministry began in Gurgaon when God called Pastor Ganesh to serve. As his ministry grew, the need for a proper space became apparent. He donated land, and the village people began construction, bringing whatever materials they could—bricks, cement, sand. The walls of the 45x20-foot hall were completed, but funds were needed for the roof and windows. With support from 12 churches and individuals, the funds were raised. The dedication was an emotional celebration, with local believers welcoming us with music and garlands, and sharing a delicious lunch as a token of their gratitude for the provision.

Bethelpara Amoi

What a glorious day it was in Bethelpara! We witnessed the goodness and faithfulness of God as He opened this new area for IPHC to share hope, love, and peace. Pr. Ashok and his wife, Priyanka Lal, were instrumental in bringing this vision to fruition. Despite the challenges of acquiring land and building, God provided. Local believers gave generously, donating materials such as cement, sand, and chips. Pr. Ashok also invested his own funds to ensure the dream became a reality. This day was a testament to the spirit of generosity that God has poured into our faith family.

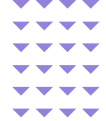

Thelpathar

We were in Thelpathar, Bihar, to dedicate the new CTC building, where the villagers greeted us with great warmth and joy. The area is mountainous, and under the leadership of Shantial Soren, God has used the local people to touch lives and serve the needy. We are grateful to Mr. Guttha Hembrom and Mr. Durga Hembrom for donating the land for this CTC. The dedication was a joyful occasion, filled with celebration and gratitude for God's provision.

Dhobiakura

In Dhobiakura, Jamui, we experienced a powerful reminder of how God moves mountains for those who trust in Him. Alok and Ritu Mishra's faithfulness to reach out to the needy led to the creation of a movement to raise awareness. The dedication service was a grand celebration as the local people joyfully witnessed the completion of the building. Mr. Kisun Das displayed remarkable generosity by donating the land for the CTC. We prayed for God's blessings on his family, and rejoiced in this milestone.

Koldiha

The rededication of the 85-year-old church building at Koldiha was a special occasion, as it marked the first IPHC church in Giridih, originally built in 1939 by Rev. Marvin Parrish. Although the building had withstood the test of time, it had started to deteriorate. Pastor Lalit Mishra, moved by God, stepped out in faith to renovate the building. Despite numerous challenges, God provided, and the renovation was completed. We honor Pastor Lalit's leadership and the generous contributions of the local church believers. We also thank Bishop Talmadge Gardner for his support of this project. This building was dedicated as Marvin Parrish Memorial IPHC.

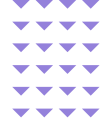

Roma

Yesterday, we traveled five hours by road through dense jungle to dedicate the new CTC building in Roma. Led by Birsa and Anita Minz, this ministry has grown through Birsa's unwavering commitment. The local people gave us a warm and joyous welcome, with music, energetic dancing, and delicious food cooked over wood. We are incredibly grateful to Birsa Minz and the church for their hospitality and generosity.

Kalamati

The foundation of the Kalamati ministry was laid by two faithful women who prayed for the opportunity to teach and train the women and children of the village. Today, we witnessed the miracle of their faith. Grateful to Mr. Anand Toppo and Mr. Ajay Toppo for donating the land. The believers shared their testimonies of how lives have been transformed, and the church provided a delicious lunch for everyone in attendance. We thank God for Pr. Philemon Tigga for his leadership.

Arki

What an incredible experience in Khunti, where Pr. Jidan and his team performed a powerful musical and dance presentation. Jidan, a leader in the Khunti district, has touched countless lives through his ministry. The event in front of the new CTC, where Saul Kandulna led the distribution of blankets to the underprivileged, was a beautiful display of God's love and provision. We thank God for providing the building and for the generosity shown by the local believers and Tim Case IM.

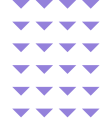

Elwapathar

At Elwapathar, the dedication of the new building was done with great joy. The local people, who had previously met in a small 12x8-foot room, were thrilled to have a spacious place to learn. We are grateful to Mr. and Mrs. Munshi Murmu for donating the land and to Pastor Joel for his leadership.

Gaya

We had a wonderful time at Konch, dedicating the 68th building. Pr. Mahesh Thakur's passion for serving others led to the construction of this building. It was an emotional moment for the people of Konch, who witnessed their faith come to fruition. We also honored Pr. Vishwanath Yadav for his dedicated leadership. The people of Konch welcomed us with warm hospitality, providing a wonderful breakfast and lunch.

Regional Monthly Meeting

IPHC Ministry in Andaman

We praise God for opening doors for IPHC to reach the Andaman Islands for the very first time. On our first day, we had the privilege of meeting with 55 local leaders in Port Blair for a powerful time of fellowship and ministry. Bishop Raven and Rev. Ashok Mishra delivered impactful sermons, while Rev. Jesan shared the vision of the IPHC ministry, particularly the "Building Together" initiative. The leaders were deeply moved as they learned how God is using IPHC to bring transformation to the region.

Our visit also included a trip to the historic Cellular Jail in Port Blair, a somber reminder of India's struggle for independence. The jail, completed in 1906, houses 696 cells, and we had

the opportunity to stand in the room where 173 prisoners were hanged. Located on the beach, the jail stands as a testament to the sacrifices made by those who suffered and died here for our freedom.

We thanked God for the independence we enjoy today, remembering the bravery of those who gave their lives for our precious motherland. As we reflected on these historical events, we also pondered the greater freedom we have in Christ. Through the sacrifice of His Son, we have been liberated from the prison of sin and death and granted eternal life.

We prayed for the people of the Andaman and Nicobar Islands, asking for God's glory to descend upon them. May God's blessings continue to pour over India.

In the evening, we were invited to minister at Miracle Church in Salve, located on another

island. It was a time of great blessing and spiritual renewal.

On the second day, our journey began early at 3 AM. After catching the bus at 4 AM from Port Blair, we set out for North Andaman, knowing that it would be a long journey. Although the distance was only 300 km, the road conditions proved to be challenging, and it took us 13 hours to reach Diglipur in North Andaman. By God's grace, we arrived safely at 5 PM, though exhausted from the journey.

Diglipur holds a special place in our hearts as the home of Pr. Pravin Khalko, our contact person in Andaman. Pr. Pravin is from IPHC Namkom, Ranchi, a place known for raising strong leaders for God's kingdom. We thank God for the ministry of our former General Superintendent, Bishop P. S. Dahanga, who has played a key role in raising leaders like Pr. Pravin.

IPHC Ministry in Punjab & Rajasthan

Punjab and Rajasthan have now become the 7th and 8th states/UTs, joining Jharkhand, Bihar, West Bengal, Uttar Pradesh, Delhi, and Odisha, to have the presence of IPHC. We had a wonderful time in Punjab, where 150 leaders from both Punjab and Rajasthan gathered. God has blessed us with incredible people who are deeply committed to advancing the Kingdom.

The meeting took place at Pr. Jairus Gill's church in Firozpur, and we are truly grateful to God for opening doors in these two significant North Indian states.

We look forward to even greater things ahead. The vision of IPHC North India is to establish a presence in all states by 2033.

Beyond Borders Training Center

Equipping the Called for Kingdom Impact

Beyond Borders Training Center (BBTC) is a ministry of IPHC North India that dedicated to equipping leaders and transforming communities. At its heart, BBTC strives to raise up God-fearing leaders who will bring hope to unreached regions.

A Place of Growth and Purpose

BBTC is more than a training center—it is a spiritual family. Here, participants are mentored and supported as they grow into the leaders God has called them to be.

Comprehensive Training Programs

Every year, BBTC offers two intensive training programs:

- Men's Training Course: September to December.
- Women's Training Course: March to June.

The curriculum for these courses is built around three pillars:

1. Bible Training and Leadership Development: Participants gain a deep understanding of Scripture and practical leadership skills to disciple others effectively.

2. Hands-On Ministry Experience: Weekly outreaches to nearby villages and towns allow trainees to engage in relational ministry.
3. Vocational Training: Men receive training in welding, computer skills, guitar, and English, while women learn tailoring, baking, computer literacy, and English. These practical skills not only empower participants to sustain their livelihoods but also open new avenues for ministry.
