17 ARISE 2033 Five Year Goals

Progress Report on 2019-2023 and Projected Goals for 2024-2028.

FOREWORD

"Forward with the Gospel."

At the 28th General Conference in 2017, Presiding Bishop Beacham cast the Arise 2033 vision, which challenged World Missions Ministries to plant 5,000 new churches outside of the U.S. and establish an IPHC ministry presence in 50 new countries by 2033.

In 2018, World Missions Ministries began training and resourcing missionaries, national leaders, church planters, pastors, and evangelists in six strategies. Those strategies are **(1) prayer, (2) evangelism or winning the lost, (3) discipling believers, (4) planting churches, (5) targeting the 7,248 unreached or unengaged ethnic groups in the world, and (6) changing a paradigm by challenging nations to become sending as opposed to receiving.**

By God's grace and your faithful/unwavering support, our **2024 World Missions Statistics** show that we now have a ministry presence in **120 countries** [not including the United States, Canada, and Brazil]. We also report having **15,088 churches** [the first time in our history that we have exceeded having 15,000 churches outside of the USA] and a **membership of 1,757,234** [the first time in our history that we have exceeded the 1.7-million-member mark outside of the USA]. To God be the Glory!

Since implementing our six strategies globally through our thirteen regional networks, by God's grace, we planted 439 churches in 2018, 960 churches in 2019, 691 churches in 2020, 709 churches in 2021, 920 churches in 2022, 807 churches in 2023, and 722 churches in 2024, for a total of 5,248 new church plants. **This also means that we have exceeded the Arise 2033 vision/goal of planting 5,000 new churches by the year 2033 in seven years** - more importantly, we have nine more years to continue moving forward!

There are still 95 countries within our regional boundaries without an IPHC ministry presence. These countries are our focused priority.

In 2018, I, along with our Regional Directors, set the first of our five-year Arise 2033 GOALS: 2019-2023, 2024-2028, and finally 2029-2033. 2019-2023 concluded our first five-year time span. You can see from the chart included that we exceeded the goals for the number of church plants. You will also find a chart showing you our GOALS for the second five-year time span, 2024-2028. **I am confident that if we continue to focus on our process/the six strategies, we will reap a harvest for the Kingdom's sake.**

Our global trajectory continues to rise in unprecedented ways. **We have the next nine years to continue transforming and shaping our destiny. This is our Season! This is our Kairos moment! This is our time to rise!** "Let's attempt Great Things for God and expect great things from God. Let's fulfill the Great Commission."

The prophet Isaiah tells us in Isaiah 54:2 (TPT), "Increase is coming, so enlarge your tent and add extensions to your dwelling. Hold nothing back! Make the tent ropes longer and the pegs stronger."

Never underestimate the effect that your partnership has had, is having, and will continue to have in kingdom expansion. The gospel of Jesus Christ, wherever it is preached, still has the power to save and set people free!

As one of my missionary heroes in the faith, Philip List, Sr., used to say, **"Forward with the gospel!"**
